WE MUST ACCEPT FINITE
DISSAPPOINTMENT. BUT NEVER
LOSE INFINITE HOPE.

~MARTIN LUTHER KING JR.

BRIGHT
DROPS

Martin Luther King, Jr. Day is celebrated in the United States on the third Monday of January to honor the achievements of Martin Luther King, Jr. A Baptist minister who advocated the use of nonviolent means to end racial segregation, he first came to national prominence during a bus boycott by African Americans in Montgomery, Alabama, in 1955. He founded the Southern Christian Leadership Conference in 1957 and led the 1963 March on Washington. The most influential of African American civil rights leaders during the 1960s, he was instrumental in the passage of the Civil Rights Act of 1964, which outlawed discrimination in public accommodations, facilities, and employment, and the Voting Rights Act of 1965. King was awarded the Nobel Prize for Peace in 1964.

He was assassinated on April 4, 1968.

November Workshop

Upward Bound November Workshop was held Saturday, November 19th on the campus of Olney Central College. Students from 13 area high schools decorated cookies and learned about culinary arts degrees, Thanksgiving, gratefulness, goalsetting, teamwork and leadership. In the afternoon, students learned about the paramedic profession and received hands-on experience from Carle-based Arrow Ambulance.

The next workshop will be January 21, 2023. See you then!
